*Not full distance, but still super awesome runners!

**Our amazing walkers!

Congratulations to everyone who attended, including runners, walkers, volunteers, and club members! Since this was a fun race to help raise money, our emphasis is on the cause, rather than the competition. Therefore, we listed everyone's times in order, but did not assign placement. Since not all bib numbers were received, we apologize for the missing names, including Anastasia Christian, Madison Hamman, Elisabeth Wilkes and Alexandria Smith (look through the photos to see where you finished)!
